Ministry Update 04/24/18

It has been awhile since our last ministry update—not by neglect, but rather waiting on the Lord for more clarity. Clarity on how this work will shape up as we come out of our wilderness training.

Learning to work within God's timing is paramount. Ministries like ours, those who have not bowed down to Baal are about to be brought into God's spotlight. At His appointed time!

These last two years have been like a blindfolded roller coaster ride, as the Lord forged a deeper understanding concerning our mandate for ministry, while demanding we walk by faith. Situations and challenges have kept us in a constant state of flux and I was checked in my spirit to not drag our email subscribers through all the up and down chaos.

The following is our defined mission as it stands now:

- Help God's people become Great Tribulation ready, thereby becoming rapture ready and escape the coming wrath of God. (For those in our fellowship and to the church internationally.)
- Break the spellbinding lie of psychology over God's wounded.

Why tear down the pre-tribulation rapture lie: A multitude of sincere believers are unprepared to endure the coming troubles in Satan's last-ditch assault to set up his rule and destroy the church of Jesus Christ. The coming persecution and vile hatred towards Christians is growing, and right now only a remnant of believers are prepared to endure the coming onslaught of trouble, with strength of faith to endure it to the end and be saved. Few are ready to endure the coming vetting process God will allow Satan to work upon Christianity—just as Christ warned:

*“Then they will deliver you up to tribulation and put you to death, and you will be hated by all nations for my name's sake. And then many will fall away and betray one another and hate one another. And many false prophets will arise and lead many astray. And because lawlessness will be increased, the love of many will grow cold. But the one who endures to the end will be saved. And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come” (Matthew 24:9-14). **Read latest Midnight Cry blog entitled Developing Strength to Endure and Escape.***

The other deceiving doctrine related to the pre-tribulation rapture is the dominion doctrine that insists the church and a united Christianity will bring peace to the world and usher in the reign of Christ on earth. Both lies need to be refuted with the truth in a powerful worldwide campaign, proclaiming the good news of the coming kingdom.

Breaking the Mental Disorder Spell, Through the years, God's wounded have given to believe they have an irreversible mental disorder: Christian counselors and pastors caved to the lie of secular psychology. God's wounded healed lightly, or sluffed off to secular psychiatry and medication. *"For from the least to the greatest of them, everyone is greedy for unjust gain; and from prophet to priest, everyone deals falsely. They have healed the wound of my people lightly, saying, 'Peace, peace,' when there is no peace"* (Jeremiah 6:13-14).

Millions of doubleminded Christians who suffer from a crushed spirit are convinced they are stuck in depression, or a bi-polar or manic disorder (or one of a myriad of other disorders) without hope of total recovery. Most are taught to believe that God can't heal their condition, and they wonder aimlessly in self-help teachings that stray from God's true recovery program or fall victim to medications with terrible debilitating side effects.

To the contrary, *"The LORD is near to the brokenhearted and saves the crushed in spirit"* (Psalm 34:18), however, few are taught how to work with the Holy Spirit as counselor and comforter, bringing to truth, healing, total resolution, and cleansing of the effects of past trauma, sin, and defilements.

With years of training and experience in God's recovery program, our mission is to bring sound Biblical teachings that when embraced will aid the work of the Holy Spirit in facilitating true and complete wholeness.

Two-pronged attack on the false: These two hellish lies must be taken down in the power of God, and in his timing—thus these are two major aspects of our mission. We dare not approach this work without being thoroughly disciplined and prepared by the Lord.

We are not alone, other ministries have been in hiding, in training, in preparation. The day is coming when God will act and use those who paid the price and avoided falling for the many false doctrines blinding Christians as they play church.

There is a remnant network about to be orchestrated and released: *"Then those who feared the Lord spoke with one another; the Lord heeded and heard them, and a book of remembrance was written before him of those who feared the Lord and thought on his name. "They shall be mine, says the Lord of hosts, my special possession on the day when I act, and I will spare them as a man spares his son who serves him. 18 Then once more you shall distinguish between the righteous and the wicked, between one who serves God and one who does not serve him"* (Malachi 3:16-17).

Are you embracing all that Christ taught and are you fellowshiping with likeminded believers who are sincere and see what is coming? If you can't find any, then attend with us online.

Time for our release is close: These last two years of preparation have been tough, very tough. All these trials were to make us rely on God and not ourselves. And I can truthfully say the following bullet point accomplishments came about by God's grace and mercy.

Your continued support helps this work continue, and very much appreciated.

Right now, few see this work as vital in helping them prepare for the dark days ahead.

However, our continued preaching on the internet and our archived messages will start to sink in and make sense. This work, as well as other likeminded ministries will soon become an oasis of sound doctrine, for those who begin to wake up and desire to become ready.
